EQUINE REIKI with Lara

EQUINE REIKI DISCLAIMER

Please read carefully and sign below as full agreement to the following.

REIKI (also known as 'Usui Reiki Ryoho') is a natural method of energy balancing for the purpose of stress reduction and relaxation.

It can involve 'the laying on of hands' although this is not required for Reiki to be effective. While it can be used entirely on its own, it is not meant as a substitute for medical or psychological, diagnosis or treatment. In fact, it can readily complement other forms of therapy.

Reiki practitioners do not diagnose conditions, nor do they perform medical treatment, prescribe substances, or interfere with the treatment of a Veterinary professional.

Can be used together with any other form of medical, natural, or alternative therapy in order to complement it.

BEFORE TREATING YOUR HORSE:

Before treating your horse you will need to gain Veterinary approval for Reiki to be used on your horse(s). This is usually a simple phone call to your Veterinary Practice to ask for approval.

Please make this call prior to the first treatment session. I confirm that I have understood the treatment that is to be given to my horse(s) and that I have obtained approval from the Veterinary Practice.

I confirm that I have read and fully understand that Reiki Healing therapy training and treatment involves a natural hands-on (or hands off) method of energy balance for the purpose of pain management, stress reduction and relaxation.

I understand very clearly that these treatments are not intended as a substitute for Veterinary care.

I understand that Reiki practitioners do not diagnose conditions, nor do they prescribe medicines, nor interfere with the treatment of a Veterinary professional. I understand that I must consult my Veterinary Practice for any ailments that my horse(s) might have prior to allowing Reiki to be given.

I understand that the Reiki Practitioner / Student will be placing hands on my horse(s) during the Reiki Healing session and I agree for that to happen.

HEALTH, SAFETY & HYGIENE I acknowledge that during the Reiki treatment I am responsible for my own and other's health and safety. I will ensure that the working environment is always safe.

Please ensure that the Reiki Practitioner / Student is made aware of your health, safety and hygiene policy and requirements to ensure that it is safe to undertake the Reiki treatment.

I hereby indemnify the Reiki Practitioner(s) and Reiki Student(s) against any adverse reaction sustained as a result of the treatment.
